# Elevated Dog Beds

## The ultimate in canine comfort...

Introducing our super-durable  
elevated dog beds!

From the company renowned for crafting durable trampolines since 1977, we now bring you the perfect dog bed - a modern take on a classic design.

- With a **strong steel frame** and **PVC-coated mesh**, our beds are designed to last
- Choose from **classic black** or a range of **contemporary colors** to match your doggo's style!
- Available in **small, medium, large** and **extra-large**...  
Need a **custom** size? *We've got you covered!*
- Mats can easily be removed and replaced when needed, with **replacement mats** available
- Cleaning is a breeze - a quick **wash, hose** and let them **dry**
- Equipped with **sturdy eyelets** for easy attachment - secure using cord, ribbon or cable ties
- The elevated design keeps your pet **cool and comfortable** by promoting airflow and reducing pressure on joints
- **Australia-wide** freight available or pick-up in Brisbane

*I love my  
Durable Bed!*
